CHRISTOPHER STAMPER **PETITIONER**

v. **SETTLEMENT AGREEMENT**

KENTUCKY OFFICE OF MINE SAFETY & LICENSING **RESPONDENT**

* * * * * * * * * *

Come the parties, Petitioner Christopher Stamper (Stamper), *pro se*, and the Respondent, the Kentucky Office of Mine Safety and Licensing (OMSL), by counsel, and hereby state that they have agreed to a settlement of the above-styled disciplinary proceeding, according to the following terms:

In consideration for the final resolution of this action against him, and the cancellation of the hearing (as it pertains to him) that is currently scheduled for October 12, 2006, the Petitioner hereby admits that he violated his employer's substance abuse policy, which was reported to the Respondent and resulted in the suspension of his surface miner's certificate on August 16, 2006. His actions constituted a violation of KRS 351.120. Therefore, Stamper hereby agrees to the following:

1. The suspension of his underground miner's certificate until such time as his application for restoration of his certificate is accepted by the Kentucky Mining Board (Board), in accordance with KRS 351.120(13), but in no event shall the suspension end sooner than September 28, 2006.

2. The Petitioner's underground miner's certificate shall be placed in probation for a period of one (1) year from the date of the restoration of said certificate by the Board, subject to the conditions set forth in Paragraphs 3 and 4, below.

3. During this one-year probationary period, Stamper shall comply with all state and federal mine safety laws and regulations, including the terms of this Settlement Agreement. The willful violation by Stamper of any of said laws or regulations, or the terms of this settlement agreement, may result in OMSL filing a motion with the Mine Safety Review Commission to revoke his underground miner's certificate for the remainder of the probationary period.

4. Stamper shall submit to drug testing once every sixty (60) days and have the results of same reported to OMSL, at his own expense, through his employer's program or his treatment program. If necessary, the Petitioner can utilize the drug testing program offered by OMSL through its examination system, at his own expense.

5. Stamper understands and agrees that he shall continue to attend any counseling and support group sessions in which he is currently enrolled, during the probationary period or until such time as his counselors certify to OMSL that he has completed the treatment and counseling.

6. Stamper understands and agrees that the report of any positive drug test results shall be cause for the revocation of his certificate.

Stamper further agrees that this Settlement Agreement and any final order issued herein by the Mine Safety Review Commission will be considered by the Commission to constitute a "first offense", as that term is defined at 805 KAR 8:010, Section 1(13).

Stamper understands and agrees that he had the opportunity to retain an attorney to represent him in this matter, but that he has chosen to represent himself. Stamper further states that he has carefully read this Settlement Agreement (or that the Settlement

Agreement has been read to him), that he has carefully considered the Agreement prior to signing it, and that he understands and agrees to its terms and provisions.

OMSL and Stamper acknowledge and agree that there are no further promises, inducements, representations, or agreements in connection with this Settlement Agreement other than those expressly set forth in writing herein.
